LINQ Transport is a regional transportation company whose core competency is **Truckload Freight**. That is the backbone of our business and one which we founded our company on nearly 10 years ago.

DRIVEN BY PEOPLE

Additionally, one of the components of which LINQ is most proud is our people. Every single person who represents LINQ possesses a strong drive to make sure all expectations are exceeded. We believe in our company, our service and our commitment to making sure each and every customer has what they need, when they need it.

State-of-the-art technology at your fingertips - maximum visibility to all of your shipments.

Industry-leading service, security and safety records provide peace-of-mind.

Our portfolio of **Truckload Services** give you more options, more opportunities to manage costs, and more ways to keep your business on the move.
